

## Burn Run 5K

**START:** PK nails and white spray paint marks on both sides of Sanders Creek Pkwy., 134' 1" west of the west edge of the top of the underground fiber optic cable access box located along the south side of Sanders Creek Parkway between the fire station and the drive into parking lot of the Bank of NY (111 Sanders Creek Pkwy).

**1 Mile:** White spray paint marks on the paved west shoulder of Franklin Park Dr., opposite and 52' 4" north of utility pole #NM24/VZ12-5.

**2 Mile:** White spray paint marks on the east side of Kinne St., 33' 3" north of the hydrant on the northeast corner of Kinne St. and Almont Dr.

**3 Mile:** White spray paint marks on the west side of Sanders Creek Pkwy., 24' 8" south of the first hydrant north of the "Loading Dock" and "Delivery" entrance to the parking area on the northeast side of the Bank of NY.

**FINISH:** PK nails and white spray paint marks on both sides of Sanders Creek Pkwy, on a perpendicular line from the center of the sanitary sewer manhole cover located in the lawn west of Sanders Creek Pkwy., 22' 9" from the west edge of the Pkwy. and approx. 30' south of the intersection of Sanders Creek Pkwy. and Creek Circle.

The course is to be restricted as follows:

- 1) Runners must stay to the right of the center line for all of Franklin Park Dr.
- 2) Runners must stay to the right of the coned dashed line dividing the two northbound lanes of Kinne St. along the westward bend as it nears the Rt. 298 intersection.
- 3) While on Rt. 298, runners must stay to the right of a line of cones placed along the fog line from Kinne St. to the beginning of the right-turn-only lane and extended straight along the dashed line marking the west side of the right turn only lane at New Venture Gear Dr.
